Fearless Curved Piecing

Class Supply List

Learn to piece curves with no pins and no templates. There's no need to fear curved piecing with Improv Curves—the seams don't have to match!

8-12 fat quarters in a variety of colors that you like together- can be solids or prints or both. Remember to include a range of values—light, medium, and dark. You may also bring scraps that are at least 8.5" square. To make a small wall hanging, you'll need about 40 squares.

NOTE: if you want to make a color wheel quilt like *Playing with Colors*, you'll need a wide variety of solids or prints or both (I used batiks) in red, orange, yellow, green, blue and purple. You won't be able to make all of them in class, so I suggest either choosing one color to work with, or bring 4 fabrics in each color.

- Sewing machine in good working order with a ¼" foot
- Rotary cutter and mat – I like the 60mm rotary cutter, but bring whatever size you like best, with a new blade
- Rulers—suggest 9" square and 6" x 12"
- Basic quilting supplies including straight pins, seam ripper, neutral thread, scissors and/or snips for cutting threads, measuring tape, safety pins
- Batting or flannel to use as a "design wall"
- Digital camera or phone to take photos of design options (optional)
- *Adventures in Improv Quilts* by Cindy Grisdela
